A CALLED MEETING OF THE CITY COUNCIL.

OVERHEAD BRIDGES CONSIDERED.

Reports From Various Committees. No More Bids to be Paid for the Arrest of Cows and Other Animals. General Routine Business.

The City Council held a called meeting last night for no apparent purpose, and their several hours' session was spent principally in fanning themselves.

Those present were Messrs. Buckner, chairman; Hantborne, McConnell, McCahn, Ruggles, Sheehan, Scott, Trout and Woodward.

The city engineer's report urged the importance of permanent street improvements, and showed the expenses of the several street forces to be \$1,575 for the past month.

The finance committee's report showed total receipts \$77,717.70.

A communication regarding the proposition of the Norfolk and Western railroad to build the several overhead bridges was reconsidered, and the finance committee was instructed to advertise for bids to erect approaches to the bridges over Park, Randolph and Henry streets at once.

The resolution offered by Mr. Trout, requiring that the properties of parties who fail to pay taxes on the assessed values of said properties, be sold, was accepted.

The street committee reported that the matter of opening Commerce street southward, would require the purchase of several right of ways to cost over one thousand dollars. The matter was deferred.

Everybody then visited the ice cooler.

Committee on health suggested the purchase of a lot to bury dead animals which was accepted.

Waller P. Huff & Co's request that they be permitted to erect a number of cottages in the vicinity of the gas house, was refused.

Intermission of fifty-eight minutes.

It was ordained that the curbage and sidewalks in front of churches, be laid at the expense of the city.

The Roanoke Street Railway Company was granted franchise over Jefferson and Spruce streets and thence through the property of the Crystal Springs Company, over the most eligible route to the reservoir.

The motion of increasing the salary of the driver of the Vigilant horse carriage \$15, was referred to the finance committee.

Mr. McConnell thereupon moved that it was uncomfortably warm, and was seconded by the chairman.

On the suggestion of Mayor Evans it was decided to discontinue paying the police a bonus for the arrest of cows and other animals, which had a tendency to cause more animals than criminals to be "run in."

Council then adjourned.

THE B. & O. LAND CO.

A Grand Scheme to Secure 1,500 Homes in Salem—Lots Purchased by the Payment of \$1.50 Weekly—What the B. & O. Land Club Are Doing.

The Baltimore and Ohio Land Company, of Salem, Va., owning 227 acres of land within half a mile of Salem, Va., admirably located for building lots, have determined to offer 1,500 lots for sale, at \$150 each, including corner lots, and in the following manner:

Lot clubs of 100 members each will be formed, each member thereof paying \$1.50 per week, or \$6 per month, until \$150 is paid. Each member will draw for a lot at the regular weekly drawing, and one lot will be drawn every week until the 100 lots are drawn. The two members drawing the last two lots will get two lots each instead of one.

The one drawing a lot can, at any time, pay upon his lot and get a deed to it, as the company own their land in fee simple, or he can pay one-third cash and the balance in one and two years, on the residue, and the company will allow such purchaser 10 per cent. discount on his purchase.

A purchaser building within six months a house, costing not less than \$500, on his lot will have a reduction of 25 per cent given on his purchase making his lot cost \$112.50.

Several clubs will be organized in this city. So that a member can join one or more clubs, and draw in each club weekly by the payment of one dollar and (\$1.50) cents in each club. No interest is charged on these payments whatever. The land has been surveyed, laid out in streets, and the lots numbered. The land lies partly on the Craig county road, and partly in the rear of Roanoke College and half a mile from the center of the town. Water mains run through the land, sidewalks are also contemplated, and pleasant homes close to business could be erected at small cost, either as a home for the owner or to rent out, as houses are in great demand in Salem.

As a safe investment this is beyond precedent, and enables one of small means to secure property constantly on the increase in value. Remember one lot is drawn by some one each week. That you can pay up on your lot after you have drawn by paying one-third cash, one and two years, or as a whole at any time you may elect within eighteen months, and the time you joined the club and secure the reductions named above.

Every member must pay his weekly dues before he will be allowed to participate in any drawing. If absent some one will draw for him, providing his dues are paid.

Do not be misled by any misrepresentation made about this land, but go to Salem and see it for yourself. Call on Mr. H. G. Brown, president of the company, who will show you over the property.

The size of these lots are mostly 50x150. Some few are 50x136. The lots are well situated, and our plan of disposing of them renders it easy for the men of small means to secure a home, or make a paying investment, by the expenditure of \$1.50 per week. Salem is a healthy, busy place, growing rapidly, and presents more advantages for investment than any other new town in the State.

Every working man, be his means large or small, can go into this enterprise and secure a lot that will continue to increase in value.

All who wish to secure lots of the Baltimore and Ohio Land Company should call upon Messrs. Oscar D. Derr & Co., the authorized agents for Roanoke city, who will fully explain the manner of conducting the sale.

There is no investment on which

one can realize so handsomely and at so small a cost as to become a member of the Baltimore and Ohio Lot Club, unless it is to be one of the stockholders in the Baltimore and Ohio Company. Respectfully,
OSCAR D. DERR & CO.,

BUILDING LOT CLUBS.

Look out for your title when subscribing as a member of a lot club. See that you get good property for your money, and see where the Baltimore and Ohio Land Company and the North Salem Land Company both own all property they offer for sale. This makes those who buy lots safe. There is no other company or persons selling on this plan that can give such assurance. The Baltimore and Ohio and North Salem Lot Clubs are safe to the subscribers. Are those safe who do not own the property they base their scheme upon?

See to your title. See the property. The Baltimore and Ohio and North Salem Lot Clubs are offering lots facing on leading thoroughfares and in good localities and no other club does this.

Don't buy until you know whether your title will be good and what it will give you.

We advertise because we have something valuable to offer, and we invite public scrutiny to our plans and property, and have no fear of the results of comparisons with any other plans offered.

Our plan is intended to give those of limited means an opportunity to purchase a home, and we want to secure them in a good title and in a good location. This we do.

Who can afford to pay his money without any assurance of title or hopes of obtaining value received? Join our club, and we will give value received and protect your interest in every respect. We will guarantee you a good title to a good lot in a good location in the land of the living and not be content to put you off in a future generation on the verge of a grave, or for a hundred years by a worse and more disagreeable feat. We are dealing with the living and not with the dead, hence we offer careful titles away from cemeteries.

Don't fail to see that it is the B. & O. Land Co., of Salem, or the North Salem Land Co. Clubs that you join, because they give you every guarantee of security.

Respectfully,
H. G. BROWN, JR.,
President B. & O. Land Co.

Messrs. Johnson & Johnson have secured the sole agency in this city for Radam's Microbe Killer. Our Mr. Louis Hall has been suffering for some time with lung trouble. He states that since using the medicine he has experienced great relief, and thinks he will ultimately regain his health.

Choice Lot Sale.

The Bedford City Land and Improvement Company announce a sale of choice lots on the 5th day of July, 1890. The number of lots is limited but choice, and they will be sold on moderate terms. Everybody is offered an opportunity to make big money.

It was intended to have this sale earlier, but it has been postponed until after the expiration of the dedication of Randolph Macon Academy on the fourth of July. Large numbers of our citizens and distinguished guests, among them several bishops, clergymen, United Senators and the governors of some of the Southern States, will be present to witness the splendid programme prepared by President Smith, closing with a magnificent display of fireworks at night.

We earnestly request all visitors to remain over till the fifth and attend this sale of lots. All of the real estate agents are agents for the company. The same lot will not be sold to several purchasers, but as soon as a sale is affected it will be placed on the bulletin board. The company has put the price low to induce persons to build, and with all who will contract to build houses special terms will be made. It is not the policy of this company to boom. It offers lots, which will double in value in six months, at low rates to bring citizens to the town. J. M. Berry, president; R. B. Claytor, vice-president; J. L. Campbell, secretary; of Bedford City Land and Improvement Company. Bedford City, June 24. June 25 to July 5.
